

# Remarkable Resilience and Innovation Award

Recognising businesses within the tourism industry who have demonstrated innovation, resilience and adaptation, along with support for their local communities, during the COVID-19 pandemic.

**This sample application form is for information only and all applications must be made via the online application system.**

## Eligibility criteria

- Directly involved in tourism, making a contribution to the visitor economy with a significant proportion of business generated by people visiting from outside the local area

Meets the tourism product definition:

Only tourism businesses who directly serve the end-users are eligible (i.e. the tourist/ visitor/ guest). Business to business agencies or intermediaries e.g. that manage business to consumer (B2C) presence for tourism businesses; would not be eligible

'Tourism product' covers a number of different categories including:

- Accommodation e.g. hotels, bed & breakfasts, guest houses, self-catering/serviced apartments, hostels, holiday boats, camping, caravanning, glamping, lodges, shepherds huts, chalets
- Hospitality i.e. a single food and beverage service business e.g. pub, restaurant, café, tea room, coffee shop, bistros, food and drink markets, kiosks & street food (in a regular location). [For these purposes the definition of a food and drink market is a collection of

independent food and drink establishments with ancillary services (e.g. parking area, toilets, security, visitor information) and maintained by a management firm as an entity.]

- Transport services e.g. rail, road, water, airports and rental
- Guided tours
- Cultural services, e.g. theatres, musical entertainment venues, sporting venues
- Travel agencies and other reservation services, including tour operators and destination management companies
- Sporting, adventure and recreational activities
- Retail i.e. a single retail outlet or shopping centre that attracts a significant number of people visiting from outside the local area [For these purposes the definition of a shopping centre is a collection of independent retail stores with ancillary services (e.g. parking area, toilets, security, visitor information) and maintained by a management firm as an entity.]
- Businesses providing supporting services to visitors e.g. visitor information providers, left luggage services
- Visitor attractions that meet the visitor attraction definition: a permanently established excursion destination, a primary purpose of which is to allow access for entertainment, interest, or education and can include places of worship; rather than being primarily a retail outlet or a venue for sporting, theatrical, or film performances. It must be open to the public, with or without prior booking, for published periods each year, and should be capable of attracting day visitors or tourists as well as local residents
- Events and festivals are not eligible to apply to this category due to the likelihood of VisitEngland Awards for Excellence winners not being announced until one or two years after the event took place e.g. an event taking place in 2020 may not be recognised by VisitEngland until 2022; the event may have ceased or declined in quality since then
- Businesses of all sizes can apply as this category is judged within the context and style of the business
- Applications from a chain or group operator must relate to a single site and not multiple sites, although a self-catering business with multiple properties across different locations, owned by the same proprietor, is eligible to apply in its entirety.
